Focus on Skin Care Solutions

At Bluestream, our sole focus is on hygiene and healthy skin

That's why we lead the industry in skin care solutions for a variety of markets, including healthcare, manufacturing, automotive, foodservice, education, health & fitness and government. Each market provides us with a more in-depth understanding of the science of skin care, and we apply that knowledge to every market we serve. We combine progressive product formulations, carefully engineered dispensing technology and scientifically based education and training programs that encourage healthy skin care behavior. The resulting skin care programs are the most extensive and comprehensive in the industry.

PURELL®

The brand people
know and trust.

Germs are everywhere, **soap and water aren't**

Whether or not you see them, germs are everywhere. They're on desks, phones, and even on elevator buttons. And since most germs are spread by hands, it's easy to see how quickly those germs can spread in any professional setting where people interact.

So how can you quickly and conveniently kill germs on your hands- without having to leave whatever work is at hand?

Simple- use **PURELL – America's #1 instant hand sanitizer.**

Healthcare. Education. Foodservice.

Use PURELL® wherever YOU need it most.

PROVON®

Skin Care Solutions for Healthcare.

PROVON® Perineal Skin Protectant with 60% Petrolatum

A cream based, non-greasy, water resistant emollient that is highly efficient as a temporary barrier to urine and fecal matter as well as a very effective moisturizing treatment for skin. Relieves and helps protect red, irritated skin.

Healthcare institutions face more challenges than ever: smaller workforces, financial pressures and consumers who can make more informed choices. With a full line of gentle and effective products to help keep skin clean, smooth and healthy, PROVON helps healthcare professionals meet these challenges, while improving the quality of care.

PROVON simplifies time-intensive tasks like patient bathing and incontinent care through improved formulations and convenient dispensing options. We help doctors, nurses and aides with their daily routines through our highly acclaimed in-service training and education programs. Our goal—improve the health and wellbeing of patients and the people who care for them.

SmartOne Toilet Paper Dispensing System

SmartOne® from Lotus Professional® brand is our most innovative toilet tissue system. It reduces tissue consumption by up to a staggering 40%.* How? By dispensing just one sheet at a time. SmartOne® combines centrepull delivery with sheet-by-sheet dispensing. Now it's easier than ever to get just the right amount of toilet tissue – thus reducing consumption, waste, and maintenance.

SmartOne® also offers dramatically increased hygiene benefits versus other toilet tissue systems. The fully enclosed roll means you only ever touch the sheet taken, reducing the risk of cross-contamination.

Product Features:

- Shock resistant polycarbonate lifetime guaranteed dispenser with metal key and lock for maximum safety and reduced pilferage.
- Patented single sheet dispensing reduces consumption by up to 40%; no more over consumption from over-spinning the roll.
- Fully enclosed roll, User only touches the sheet taken, helping to reduce the possibility of cross-contamination.
- Easy to use 2 Ply Tissue - simply pull the tissue straight out, leaving the next sheet presented ready to use.
